

## **AFCP 2023 Grants Program Application Guide**

1. **Summary:** The U.S. Embassy is pleased to announce the start of the U.S. Ambassadors Fund for Cultural Preservation (AFCP 2023) Grants Program. The application process involves two rounds: In Round 1, the Embassy will collect project ideas in the form of concept notes due **January 9, 2023**. In Round 2, the Embassy will invite promising ideas to submit full project applications, due **March 31, 2023**.
2. **Funding:** Awards will range from USD10,000 to USD500,000.
3. **Funding Areas:** The AFCP Grants Program supports the preservation of archaeological sites, historic buildings and monuments, museum collections, and forms of traditional cultural expression, such as indigenous languages and crafts. Appropriate project activities may include:
  - a) Anastylis (reassembling a site from its original parts)
  - b) Conservation (addressing damage or deterioration to an object or site)
  - c) Consolidation (connecting or reconnecting elements of an object or site)
  - d) Documentation (recording in analog or digital format the condition and salient features of an object, site, or tradition)
  - e) Inventory (listing of objects, sites, or traditions by location, feature, age, or other unifying characteristic or state)
  - f) Preventive Conservation (addressing conditions that threaten or damage a site, object, collection, or tradition)
  - g) Restoration (replacing missing elements to recreate the original appearance of an object or site, usually appropriate only with fine arts, decorative arts, and historic buildings)
  - h) Stabilization (reducing the physical disturbance of an object or site)
4. **Funding Priorities:** Some of the most successful AFCP projects have been designed as part of a greater PD programming arc promoting specific U.S. policy goals and host-country or community goals. Accordingly, in FY 2023, ECA will give preference to projects that do one or more of the following:
  - a) Directly support U.S. treaty or bilateral agreement obligations.
  - b) Directly support U.S. policies, strategies and objectives in a country as stated in the Integrated Country Strategy or other U.S. government planning documents.
  - c) Support disaster risk reduction for cultural heritage in disaster-prone areas, or post-disaster cultural heritage recovery.
  - d) Partner, connect with, or feed into other ECA or public diplomacy programs.

- 5. Eligible Project Implementers:** The Center defines eligible project implementers as reputable and accountable non-commercial entities that can demonstrate they have the requisite capacity to manage projects to preserve cultural heritage. Eligible implementers may include non-governmental organizations, museums, educational institutions, ministries of culture, or similar institutions and organizations, including U.S.-based educational institutions and organizations subject to Section 501(c)(3) of the tax code. The AFCP will not award grants to individuals, commercial entities, or past award recipients that have not fulfilled the objectives or reporting requirements of previous awards.

Potential implementers must be registered and active in the U.S. government's System for Award Management (SAM) to receive U.S. federal assistance. If an embassy's project idea is advanced to Round 2 and the anticipated implementer is not registered in SAM, the embassy should initiate the registration process immediately so that it is in place in the event the project is ultimately selected for an award. See paragraph 23 below for information on how to register. The registration process can take several weeks to complete so it is important to avoid any delay. If a project is selected for an award and the registration is not completed, the award could be delayed to the next FY, pending the availability of funding.

**6. Round 1 Concept Note Requirements: (Deadline January 9, 2023)**

Concept notes must be submitted by Monday, January 9, 2023 at 11:59pm APIA time. Each concept note submitted must include the following:

- e) Five (5) high quality images (JPEGs) or audiovisual files that convey the nature and condition of the site, collection, or tradition and show the urgency or need for the proposed project (collapsing walls, water damage, etc.).

#### **8. Cost Sharing and Other Forms of Cost Participation:**

There is no minimum or maximum percentage of cost participation required. When an implementing partner offers cost sharing, it is understood and agreed that the partner must provide the amount of cost sharing as stipulated in the budget of the application and later included in an approved agreement. The implementing partner will be responsible for tracking and reporting on any cost share or outside funding, which is subject to audit per 2 CFR 200. Cost sharing may be in the form of allowable direct or indirect costs.
